- Questions

GUCE - Who are we?

- Volunteer board
- Community Benefit Society
- Tring to Watford
- Rudolf Steiner Solar Project 2013
- Power Up and Power Down

What GUCE does: Power Up

Heating Kings Langley - District Heat Network

Rudolf Steiner solar panels

CEF Funded Solar Canopy Feasibility Study

What GUCE does: Power Down

Energy Champions - UKPN

Transition Streets TRDC/Watford

Thermal Imaging Camera

Watford Mayor's Fund Energy
Saving Kits

It's time for a CHORLEYWOOD TRANSITION STREET

A group of seven Rickmansworth householders who have recently completed **Transition Streets** - a community-led initiative aimed at promoting sustainable living, are encouraging others to get involved in the

boundaries at our first meeting
and there was a respectful,
non-judgemental vibe. Everyone
in the group has a different

Why?

- Helping people - Energy Champions
- Supporting our schools to focus on their students
- Being part of the community
- Making a difference
- Big infrastructure Projects - What is possible?
- Confidence
- Continuous Learning
- Connection
